

### The POK relationship with China: a real friendship story.

We are glad to announce our participation to the [18th China Fire 2019 China International Fire Protection Equipment Technology](#), which will be held in **Beijing from the 16th to 19th of October 2019**.

Our Chinese and French sales team will welcome you on our **POK booth E4-F03**.

As you may know, China is a privileged market for **POK**, representing millions of Euros. **POK** is proud to be one of the leading foreign suppliers of firefighting equipment in China, meeting the needs of fire brigades, petrochemical industries, marine and military industries and all customers requesting quality and high-tech equipment.

The ties that have been forged over the years between France and China are not only business ties but also ties of friendship and mutual trust. Thanks to **POK China**, managed by Xudong Gao (xudong.gao@pok.fr), **POK China** is at your disposal with a strong Chinese sales and consulting force. As a matter of fact, many of our products are specifically developed for the Chinese market. We are proud to serve this country and we would like to thank you all for your business and trust.

We are looking forward to presenting you our latest innovations (remote-controlled monitors, robots, hand nozzles, hose reels, etc.) and thank you in advance for your visit.
