**Pictures of the year 2019**

The best way to illustrate all this year events is via some pictures.

We invite you to participate to our daily activities by visiting us at our headquarters and manufacturing site, as so many of our customers and partners did.

We look forward to meeting you in 2020 and strengthen our relationship. By coming to our facilities you will get to gain a deeper understanding of our products and processes and our teams will gain insight into your needs.

Hopefully, we will see you very soon in Nogent-Sur-Seine or in your country. Happy holidays to everyone.

**Our visitors: Proizs, Pronoia, POK China, Protec, Unicare, etc.**
