

*FIREFIGHTING EQUIPMENT
INDUSTRIAL VALVES*

Nogent-sur-Seine, 18/03/2020

Dear Customers,
Dear Partners,

The health situation in France forces us to temporarily close our company.

We deeply regret this situation.

We are therefore no longer in a position to meet your queries. However we remain mobilized to serve you very soon and will advise you when we reopen our production lines.

Thank you for your understanding and trust.

Alexandra Grandpierre
General Director
